Chapters who have fallen away – for very good reason – need to attend. It is imperative that we have a good turnout at this crucial time. We need to elect a Board who know and agree with the CCR mission, have the drive and energy to lead the organization back to greatness and activate programs to elect good Republicans to office in 2018.

We need to reconnect with our grass root members! YES, we are in the process of putting a program in place to reach our membership by email. Your members will begin receiving communication from our CCR state organization very soon. (They will be able to unsubscribe if they do not wish to receive our communications.) The goal is to encourage every Chapter to share their ideas, programs and articles with the entire state membership. We can expand on that idea.

During the week-end, we will elect and install Statewide CCR Officers for the next two years, network with other chapters and share ideas. Local legislators have been invited and we will have lively discussion on the issues of the day. We will have workshops, entertainment and a program that will make for an enjoyable weekend.
